

HQCC PAKISTAN REPORT 2025

Dear Minister, Trustees & Congregation of Highbury Quadrant Congregational Church London,

First of all, I want to say "Thank you "to all at Highbury Church.

Thank you for standing with your Christian brothers and sisters in Pakistan. Your support and donations are enabling our local team to keep serving in very demanding and challenging circumstances - offering women empowerment skill trainings, education, scholarships, books, uniforms and other spiritual and practical support to deprived Christian community in Pakistan.

No doubt, together HQCC and we are helping our Pakistani Christian Community and sharing the Love of Jesus in every practical way.

2025 has been a blessed year for our projects. Lord is working in mysterious ways and using us for his glory, below is short report.

In October 2025, during monitoring and training visits of your Church Ministry to Pakistan new hires were done for position of HQCC Country Director, Education Co-ordinator. These roles have effectively signified for expansion of projects.

As our team is not registered as Charity in Pakistan, in order to maintain accountability, transparency in end of Oct 2025 Rev S Javed, National Country Director, Project Manager have signed a Memorandum of Understanding with Christian Social Up Lift Registered Charity organization in Pakistan. Mr Bruener B. Newton President of this organization along with his trustees signed the MOU. This will enable HQCC staff to receive donation through Registered organization account and continue operating independently under social uplift umbrella.

Christmas graduation program was conducted in Dec 2025 for all staff, teachers, sewing centre participants and Children. Certificates were awarded to graduating students, Children were distributed with Christmas presents, staff was also rewarded with Christmas bonus. It was a wonderful Christmas celebration.

In order to promote education for Christian Students who are not able to finance their schooling due to hardship of their parents, we have sponsored 41 students for primary education, tuition fee is directly paid to the schools. In march, when new school session/ year starts all sponsored students are provided with school bags, uniforms and books. Most of the parents of these Children are very poor. Preference is given to Christian widow's children's, At the moment 6 x widows Children have been sponsored for educational Scholarships.

These families are spread in different parts of the country. In order to reach out to Children, parents and schools a second Hand Car was bought so that regular visitation is conducted to provide spiritual, moral and financial support to these families.

We have also signed a Lease of HQCC centre Gulam Abad for 15 years, now this Centre is secured and have sustainable long terms projects for women skill training, elderly, Children ministry and hope to start English language classes soon.

Tafnala primary School continues to provide primary education to almost 50 students. Teachers are putting their best effort and Children and their parents are very pleased for this facility at the door step.

Our Partners are actively helping with women to be trained in Attock, last year 8 x women achieved and received their certificates. Pastor Farhan Aslam is actively involved with Children ministry, at the moment he has a group of 27 Christian Children. Also, by grace of God new house Church planting is done and this Church is growing.

In HQCC centre in Karachi also 10 x students were graduated who now have sewing skills and are able to earn. Pastor Shahzad centre supervisor requested to relocate this centre, so that more Christian women can benefit from skill training. Our team is looking for possibility to relocate to YMCA slum. Local evangelist Morris is liaising with local pastor for relocation.

Please pray for ongoing projects and future plans 2026
